

Confirmation Service Requirements

Saint Matthew's Confirmation Class 2012-2013

Below are listed 2 categories in which you are to choose service projects. The parish category has a mandatory requirement of at least 5 hours of service. In addition to the parish hours, we are asking you to assist in a community service project. Participating in these 2 different categories of service allows you to experience different types of service in the church today. Under each category there are suggestions on what activities you can do. Remember that all service hours are due by March 24th so we can suggest additional service ideas if necessary. For more ideas read the weekly bulletin at Saint Matthew's Parish! If you have a question on where an activity falls, please ask Deanna Lustig for assistance.
